MASSAGES

Express Massage 15 mins

Whilst an express massage does not involve a full-body massage, you will select a certain area to concentrate on. To make the most efficient use of your time and achieve the best results, we will only treat one part of your body, usually concentrating on a trouble spot. **15 Mins £35**

Swedish Massage 30 mins 50 mins 70 mins

Swedish massage manipulates the soft tissue of various muscle groups all over the body, relieving any tension that has built up in the muscles. Its goal is to relax the entire body. For relaxation, nothing beats a massage like this. **30 Mins £55**
50 Mins £80
70 Mins £100

Deep Tissue Massage 50 mins 70 mins

Realigning the deeper layers of connective and muscle tissue is the main focus of deep tissue massage. Using gentle strokes and deep finger pressure on the tight areas, either following or going over the fibres of the muscles, tendons, and fascia, it tries to relieve the chronic patterns of tension in the body. You can experience a little discomfort or a little pain during a deep tissue massage in the troublesome areas. **50 Mins £90**
70 Mins £110
