# HIGHER EDUCATION

Hospitality Management

Travel & Tourism Management

Our Hospitality and Travel & Tourism Management courses are highly recommended for studying looking to enter this fast moving industry. We have a dedicated team of teachers with specialist knowledge and a strong partnership with the restaurant sector to provide students a valuable learning environment with targeted work experience opportunities.

## CULINARY ARTS WITH ENGLISH

Our specialist vocational courses combine gastronomy skills with English classes for all levels. Perfect for students wanting to gain practical kitchen experience while improving their English language skills. All courses are delivered by culinary arts specialists and provide a blend of food safety and cookery knowledge that can be adapted to suit all needs.

# ENGLISH COURSES

A full range of English language programmes are available for students from all over the world. We provide courses for all levels and bespoke summer packages for student groups aged 10 years and up. Our school is accredited by BAC (British Accreditation Council) and has a reputation for offering a quality learning environment.
